

REMOTE SENSING CENTER

Spectral Imaging Applications to Terrestrial and Marine Environments Workshop

Date: July 17th, 2008

Time: 8:00am - 4:00pm

Hosted by: Remote Sensing Center, Naval Postgraduate School (NPS) and
Monterey Bay Aquarium Research Institute (MBARI)

Location: MBARI, 7700 Sandholt Rd., Moss Landing, CA 95039

General Workshop Information

- ◆ Opening remarks by the President of NPS, VADM Daniel T. Oliver (ret.) will precede the technical presentations.
- ◆ Six speakers will be presenting throughout the day. Each presentation will be followed by ample opportunities for networking, discussion and questions. Abstracts will be posted to the RSC website as available.
- ◆ A catered sit-down lunch is free for registered attendees and will be provided on site.
- ◆ Closing summary will be delivered at the closing by Dr. Fred Kruse. A detailed agenda will be provided closer to the workshop date.

Speakers include:

- ◆ Dr. Paul Bissett, Florida Environmental Research Institute
- ◆ Dr. Dar Roberts, University of California Santa Barbara
- ◆ Dr. Susan Ustin, University of California at Davis
- ◆ Dr. Marcos Montes, Naval Research Lab, Washington D.C.
- ◆ Dr. Fred Kruse, Horizon Geomaging
- ◆ Air Force Research Lab (AFRL/RVBYH)
- ◆ ITT VIS

This information is being posted on the Remote Sensing Workshop website (RemoteSensingCenter.org). Registration will open on Monday, June 16th. You are invited to submit a registration request via the webpage at your earliest convenience. The site will be updated with detailed speakers' information and presentation abstracts in the coming weeks, please check back regularly or call for information. Final workshop details and travel information will be emailed to registered attendees.

Registration is free for this workshop; however, seating is limited.

We suggest to register early to take advantage of this remarkable educational and networking opportunity in Remote Sensing research!

Due to high volume of travel in the Monterey area at this time, we strongly recommend making your lodging arrangements as soon as possible.

If you have any questions please feel free to contact the Workshop Coordinators:
