SMART & SFS
Scholarship
Program
Overviews

***Are you a female summer intern at NPS?
And interested in knowing more about
the science, technology, engineering
and/or math (STEM) research happening
on campus?***

Join us for a 3-part series of lunchtime gatherings where you'll meet other female summer interns, female PhDs doing exciting work in the STEM disciplines, and learn about some valuable opportunities available through NPS.

Gatherings are held in the
**Cebrowski Institute's
Living Room, Glasgow Hall East
Third Floor.**

Contact Daniele at ext 1132
or Alison at ext 3597
for more details.
