Master of Science in Program Management (836)
Commencing Tuesday 27 September 2016
By Distance Learning using a Web-based, Virtual Classroom Environment

The Naval Postgraduate School and its School of Business and Public Policy are pleased to announce the offering of an eight quarter part-time Master of Science in Program Management by distance learning commencing Tuesday 27 September 2016. Students that complete the degree program also earn DAU equivalency for Program Management (PMT 352), Production and Quality Management (PQM101 & 201), Software Acquisition (IRM101), Systems Engineering (SYS101, 202 and 203), Contracting (CON90, 100, 121, 124, & 127) and Test & Evaluation (TST204). The program also meets DAWIA requirements for 24 hours of business subjects and 40 hours of annual continuous learning. Note: DAU changes made after the establishment of this program for the 2016-2018 tracks will be reviewed and accommodated if and where feasible.

The MSPM program is open to qualified DoD uniformed officers, federal employees and a limited number of Defense contractors. Students take two (2) courses a quarter for eight (8) consecutive quarters. The program will be delivered over the Internet using Collaborate, an Internet web-based, virtual classroom tool, in two 3 hour sessions a week on Tuesdays and Thursdays from 0800 - 1100 (Pacific Time).

To use Collaborate, students will need Internet access and a PC microphone (mandatory). Collaborate requires no special software. The price per seat is $2000 a course for military and federal government employees and $2200 for Defense contractor civilians (not including textbooks). Organizations and/or students are expected to purchase their own books. If requested, NPS can provide textbooks and other support materials for a $200 fixed fee per course.
