

Michael A. Morgan

Professor

PhD, University of California at Berkeley, 1976

Dr. Morgan has held engineering research position at Battelle NW Labs, Science Applications, Inc. and SRI International. From 1977 to 1979 he was an Assistant Professor at the University of Mississippi. He has been on the faculty of the Naval Postgraduate School since 1979. During 1985-86 he served as Program Manager for the basic research program in electromagnetics at the Office of Naval Research. He served as Chairman of the NPS Electrical and Computer Engineering Department from 1990 to 1995.

Dr. Morgan is a Fellow of the Institute of Electrical and Electronics Engineers and is a member of Sigma Xi, Eta Kappa Nu, USNC/URSI Commission B, and the Electromagnetics Academy.

Current Research Areas

- . **Computational Electromagnetics**
- . **Transient Scattering Measurements**
- . **Natural Resonance Scattering Theory**

. Control of Scattering Mechanisms
