“FY15 PROJECT ON ADVANCED SYSTEMS AND CONCEPTS FOR COUNTERING WMD (PASCC)”

The purpose of Amendment 0002 is to modify the APPLICATION AND SUBMISSION INFORMATION.

The full solicitation is available at: http://www.grants.gov/ and http://www.nps.edu/Research/WorkingWithNPS.html

This amendment serves as a notification that the application and submission information. significant dates and times information for invited full proposals has been revised as follows:

Section IV. APPLICATION AND SUBMISSION INFORMATION:

Page 9, paragraph 1. Application and Submission Process for Invited Full Proposals is replaced in its entirety with the following:

Detailed Full Proposals (Volume 1: Technical Proposal, and Volume 2: Cost Proposal) will be subsequently requested from those Offerors whose proposed research projects have met the evaluation criteria listed above. However, email notifications and discussions about White Papers are not assurances of a subsequent award.

Although Full Proposals will be accepted throughout the effective period of this BAA, to ensure timely consideration, Full Proposals should be submitted no later than 4:00 p.m. (PDT), 15 October 2014.

The only acceptable method for submission of Full Proposals is via http://www.grants.gov.

Notice of Government-recommended selections based on Full Proposal submissions will be issued via email. Notice of final award by the Navy will also be issued via email.

Page 19, paragraph 3. Significant Dates and Times is replaced in its entirety with the following:

This announcement will remain option until 31 March 2015 or until replaced by a successor BAA, whichever occurs first. White Papers and Full Proposals will be accepted throughout the open period of NPS-BAA-14-003; however, all funds may be committed based on the following schedule:

- White Papers submitted by 27 June 2014
- Invited Full Proposals submitted by 4:00 p.m. (PDT), 15 October 2014
