Amendment No. 0001 to NPS BAA Announcement #10-001

“Research on Edge Organizations in the Context of Network-Centric Operations”

The purpose of Amendment 0001 is to modify the Response Date.

This amendment serves as a notification that the response date has been extended as follows:

A. Section I (General Information), Paragraph 5 (Response Date) is replaced in its entirety with the following:

   5. Response Date: This announcement will remain open until 30 September 2011 or until replaced by a successor BAA. Proposals may be submitted at any time during this period.

B. Section I (General Information), Paragraph 6 (Research Opportunity Description), Evidence of Progress paragraph is replaced in its entirety with the following:

   Evidence of Progress: In accordance with the Code of Best Practice for C2 analysis, participants in each Research Area above are expected to demonstrate evidence of progress in the case of grants, or deliverables in the case of contracts, via the following: a) journal-quality papers (i.e., one describing each project) submitted to, as appropriate, the 2011 and/or 2012 Command & Control Research & Technology Symposium or International Command & Control Research & Technology Symposium; b) refinement of conference papers into academic journal articles submitted for publication; c) participation in two Edge Research Workshops (e.g., one in the summer, one in the winter; generally one or two days in length) in California; and d) data rights, software, and documentation for any software developed using these funds.

C. Section IV (Application and Submission Information), Paragraph 3 (Significant Dates and Times) is replaced in its entirety with the following:

   3. Significant Dates and Times –

   This announcement will remain open until 30 September 2011 or until replaced by a successor BAA. Proposals may be submitted any time during this period.

Questions regarding this Amendment can be addressed to baa@nps.edu.
