Donation Update
If you had nowhere to live, where would you get water to drink? Where would you go to use the toilet?

Our community recently donated $1,500 to Dorothy’s Place in nearby Salinas, named after Dorothy Day, co-founder of the Catholic Worker Movement in the 1930s. Her autobiography The Long Loneliness was published in 1953 and is a must read! For more than 3 decades, Dorothy’s Place, operated by the Franciscan Workers of Junipero Serra, has been dedicated to serving people who experience homelessness, poverty, and marginalization in Monterey County. Dorothy’s Kitchen provides approximately 150 hot breakfasts and 200 hot lunches every day of the year for those who are hungry. Women Alive is an overnight shelter for single women committed to listening to, encouraging, and empowering women. The Drop-In Center is a space in which guests can take care of basic hygiene needs, access social and health services, receive news and current event information, and socialize in a safe and friendly environment. People are able to receive mail and have their laundry done, and they are treated with respect and dignity that is often denied to those in their position. St. Clare’s Corner is primarily oriented toward food and clothing support to our farm worker community, and operates during the winter months, when families dependent on the agricultural work of the Salinas area are most in need.

And the king will say to them in reply, ‘Amen, I say to you, whatever you did for one of these least brothers of mine, you did for me.’ - Jesus
