NPS Curriculum

- 360/382** - Operations Analysis*
- 368/474/384** - Computer Science*
- 370** - Information Systems Technology
- 817** - Defense Systems Analysis
- 595** - Information Warfare
- 682/247** - Far East, Southeast Asia, Pacific
- 847** - Manpower Systems Analysis
- 366/591** - Space Systems Operations/Engineering

- 590** - Electronics Systems Engineering
- 399/398** - Modeling, Virtual Environments, and Simulation (MOVES)*
- 827** - Material Logistics Support
- 684** - Europe and Eurasia
- 815** - Acquisition and Contract Management
- 681/246** - Middle East, South Asia, Sub-Saharan Africa
- 837** - Financial Management

- 336** - Masters of Applied Cyber Operations (MACO)
 - 683** - Western Hemisphere
 - 365** - Joint Command, Control, Communications, Computers, and Intelligence
 - 533** - Physics
 - 326** - Cyber Systems and Operations
 - 699** - Special Operations and Irregular Warfare
 - 814** - Transportation Management
- * Includes Marine Corps PhD students (6 total)

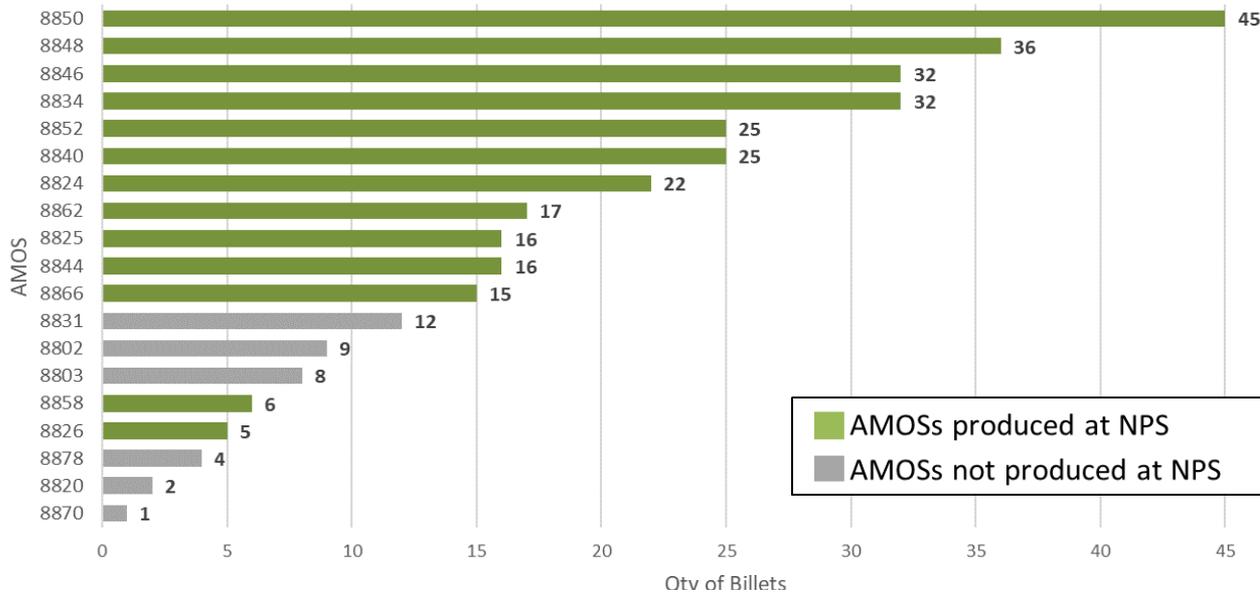

Where NPS Marines Serve Utilization Tours

- Graduate Education Program Marines serve in over 78 different organizations across 30 separate bases & stations
- 68% of Grad Ed billets are located in the National Capital Region
- 86% of Grad Ed billets are in the supporting establishment
- 20% of Grad Ed billets fall under DC CD&I
